

NazFest 2005

Unofficial Martin Guitar Forum Members' Get-Together (NazFest 2005)

All *Unofficial Martin Guitar Forum* members and their families and guests, and all Martin Guitar Company employees, families, and guests, are cordially invited to attend the Fourth Annual informal Get-Together for lovers of Martin Guitars! The setting will be both indoors and outdoors, definitely informal, and most of all there will be the opportunity to meet new friends, greet old ones, enjoy each other's company, and play the guitars which we have grown to love!

Attendee Profiles	page 3
Additional Attendee List	page 11
Attendee List by State & Musical Style	page 12
Program	page 14

ADDITIONAL INFORMATION

Buy and Sell: There will be a designated area both Sunday and Monday at the Park to buy or sell guitars, other musical related gear, CD's and other UMGF related paraphernalia such as T-Shirts. This is limited to private sales ONLY except for CD's, where all artists who are members of the UMGF are invited to offer CD's for sale.

Nazareth Park: There is no entry fee at Nazareth Park, and there are restrooms, a concession stand, and other facilities available. We will not be providing any food or beverage, so please bring your own or use the concession stand. I have not been told that alcoholic beverages are prohibited, but if you bring beer or wine PLEASE be circumspect and responsible.

Most importantly, there is NO talent needed or required (other than a good sense of direction to Nazareth). We will try to arrange for an open mike, but both afternoons are really intended just for getting together, enjoying each other's company, perhaps sharing tips and tricks, and just plain old having fun!

Security: *You will be responsible for keeping watch over your own instruments and other possessions and for loss of or damage to the same.* The parking lot at Martin & Co. is not secure (and also could get hot); however, as indicated above we have arranged for a room at Martin where we can store our instruments. Nazareth Park is a public facility, so even though we have private areas, there could be many other persons passing through.

Food and Beverage: Since there is a concession stand at the Park, everyone is encouraged to bring his or her own other provisions or use the concession stand. The concession stand is 25 to 30 yards from either facility that we are using. It is not open if it rains, but there is a pizzeria (Mijavo's) right up the road near Martin and other places available.

Pool: The pool at Nazareth Borough Park is open to all. The fee on Sunday is \$4.75 for minors (under 18) and \$5.25 for adults. On Monday it is \$4.25 for minors and \$4.75 for
